Answer

MINISTER OF STATE IN THE MINISTRY OF DRINKING WATER & SANITATION
(SHRI RAMESH CHANDAPPA JIGAJINAGI)

(a) State/UT-wise, number of Individual household latrines constructed during last three years and the current year is at Annexure-1.

(b) State/UT-wise, central share released and expenditure reported during last three years and the current year is at Annexure-2. The Swachh Bharat Mission (Gramin) is a demand driven programme therefore no State/UT-wise targets and allocation are made. Based on the demand from the State AIPs and available funds at GOI, the releases are made to them.

(c) State-wise, number and percentage of the households without toilets as on 12.11.2016 is at Annexure-3

(d) Since Swachh Bharat Mission (Gramin) is a demand driven programme, therefore no State-wise targets are fixed.

(e) Government has set targets to provide all the households with toilet facilities by 2nd October, 2019.
